- **MAG Community Survey**

The National SMC is pleased with the response from the clubs to the MAG Survey that was sent at the end of 2006. A summary of the survey results will be sent to each club that completed the survey.

There are some clubs and High Performance Centres that did not complete the survey. The SMC is keen to have their input so a copy of the survey will be emailed to the clubs. If you did not receive the survey or did not have the time to complete it at the end of 2006 and would now like to do so please email Karon Williams.
