Australia will play host to the powerhouses of world gymnastics, when the world's best descend on Melbourne for the 2010 Pacific Rim Championships.

To be staged from April 29 to May 2, 2010, more than 300 athletes and officials are expected to attend the biennial event.

Four sports will be on the program, with Hisense Arena hosting the men's and women's gymnastics along with the demonstration sport of acrobatics, whilst the State Netball Hockey Centre will stage trampoline and rhythmic gymnastics.

Media wishing to attend sessions throughout the 2010 Pacific Rim Championships, are invited to complete the attached media accreditation application form.

For those applications that are deemed successful, media packs containing media accreditation passes and event guides will be distributed via the mail.

The media accreditation pass will provide:

- entry into the venue
- access to the media centre at the venue
- access to the mixed zone for post-event interviews
- limited access to the infield (photographers only)

In the lead up to the Pacific Rim Championships media will receive valuable information via email, including media releases, media activity details, and competition information.
