GYMNASTICS AUSTRALIA PHOTOGRAPHY POLICY

Images of people enjoying Gymnastics are part of the sport's historical culture and identity.

Gymnastics Australia is mindful of its duty of care to our members, with best intentions of protecting children and young people from potential risk. In keeping with a number of local municipalities in Australia and also leading sports organisations world-wide, Gymnastics Australia has implemented a Photography Policy which is applicable and enforced at all Gymnastics Australia events.

The greater ease of taking and modifying images has raised concerns in today's society about the potential risks of child abuse posed directly and indirectly to children and young people through the inappropriate use of photographs on sports web sites and in publications.

With the exception of WinkiPoP Media personnel, **DIGITAL SLR CAMERAS AND/OR LENSES OF A PROFESSIONAL STANDARD** will not be permitted within the confines of any Championship event venue.

Gymnastics Australia acknowledges that family and friends wish to take their own images for memories from the Championships and this is supported if using a 'Point & Shoot Camera' or an SLR Camera and Lens which fall within the specifications of this policy.

The quality of images taken and the services provided to participants and supporters by WinkiPoP Media is dynamic and first class. We encourage all members to utilise these services when seeking team and individual mementos from the Championships.

No professional standard digital cameras and/or lenses may be used at a Gymnastics Australia event. Gymnastics Australia Staff Members or Event Officials as well as WinkiPoP Media personnel are authorized to request users to cease using this equipment.

Photographers or video camera operators representing a Media Organisation may be issued with Media Accreditation upon application to Gymnastics Australia. Images and recordings are then permitted for editorial purposes only. Sale of images or recordings is not permitted.

Gymnastics Australia reserves the right to remove individuals from an event if they refuse to adhere to the Photography Policy.
