- (a) Unless the context otherwise requires, reference to:
 - (i) a clause is to a clause of this Policy;
 - (ii) the singular includes the plural and the converse also applies.
- (b) If a person to whom this Policy applies consists of more than one person, then this Policy binds them jointly and severally.
- (c) A reference to time, day or date is to time, day or date in Melbourne, Australia.
- (d) Where a word or expression is given a particular meaning, other parts of speech and grammatical forms of that word or expression have a corresponding meaning.

- (e) Headings are for convenience only and do not form part of this Policy or affect its interpretation.

2. Objective of this Policy

- 2.1. This Policy, as amended by GA from time to time, describes the overarching principles and common criteria that apply to the selection of all formally selected GA Teams and Squads.
- 2.2. This Policy, read and applied with the applicable Selection Policy Part B and the [Selection Appeals Policy](#), forms the GA Selection Policy for which GA formally selects a Team or Squad.
- 2.3. The GA Selection Policy exhaustively sets out the parameters, process and criteria (both eligibility and performance) that will be applied to determine the selection of the relevant Team or Squad.

3. Selection Policy Part B

- 3.1. In addition to this Policy, the National Performance Director (or delegated representative), in collaboration with appropriate Technical Experts, shall prepare specific eligibility and selection criteria for relevant Events and Squads.
- 3.2. From time to time and for selected Events, GA may identify Athletes and Coaches for Team selection in an informal manner. For teams such as these there will be no Selection Policy Part B, however some guidance on how the team will be selected will be made available to Athletes and Coaches who are in contention for selection. For clarity, the [Selection Appeals Policy](#) will not apply to Teams selected in this way, however the eligibility criteria outlined for Athletes and Coaches in this Policy will apply.
- 3.3. The Selection Policy Part B for each formally selected Event and Squad shall be approved by the CEO.
- 3.4. The Selection Policy Part B for each formally selected Event and Squad shall be published on the GA website once approved by the CEO.
- 3.5. A Selection Policy Part B may be amended by GA at any time prior to selections being determined for an Event or Squad.

4. Selection Panel

- 4.1. The National Performance Director (or delegated representative) will call for expressions of interest in November/December immediately following the summer Olympic Games to fill the available positions on the Selection Panels for each Olympic Gymsport for the current Olympic cycle. The National Performance Director will make recommendations to the CEO on the appointment of Selection Panel members.
- 4.2. The CEO will appoint a Selection Panel for each Olympic Gymsport on an Olympic Cycle basis (typically 4 years).
- 4.3. The National Performance Director (or delegated representative) will call for expressions of interest following the World Championships to fill the available positions on the Selection Panels for each Non-Olympic Gymsport for the following two (2) year cycle. The National Performance Director will make recommendations to the CEO on the appointment of Selection Panel members.
- 4.4. The CEO will appoint a Selection Panel for each Non-Olympic Gymsport on a World Championship Cycle basis (typically 2 years).
- 4.5. The role of the Selection Panel is to apply this Policy and the relevant Selection Policy Part B to select Athletes (Events and Squads) and Coaches (Events only) for Events and Squads in the relevant Gymsport and calendar year.
- 4.6. The Selection Panel has been delegated the authority by the CEO to select or nominate (refer to 4.13) all GA Teams for Events and Squads.
- 4.7. The Selection Panel shall consist of:
 - the National Performance Director (or delegated representative) (Chair); and
 - two Technical Experts from the relevant Gymsport.
- 4.8. Should a Technical Expert appointed to the Selection Panel be unable to fulfill their role on the Selection Panel, the CEO may replace that member with another Technical Expert at any time throughout the term of their appointment.
- 4.9. Should a member of the Selection Panel have direct and regular input into the daily training environment of an Athlete being considered for selection, that Panel member will remove themselves from final selection decisions about said Athlete but will remain a member of the Selection Panel.
- 4.10. The Selection Panel may seek information that will facilitate the selection consideration process from any person it sees fit. For example, the GA Chief Medical Officer (or delegated representative) may be consulted to advise if there are any medical issues that the Panel should be aware of.

- 4.11. The Selection Panel as a whole may consult with personal Coaches of Athletes under consideration for selection, or other interested Coaches, however, no individual member of the Selection Panel may discuss the deliberations of the Selection Panel with any Athlete, Coach or any other person prior to, or after the Selection Panel has reached its decision.
- 4.12. The Selection Panel shall document the process implemented and rationale for making its selection decisions.
- 4.13. For events where GA is required to nominate athletes to another body for selection (Olympic Games and Commonwealth Games including the Youth Olympic Games and Commonwealth Youth Games), the Selection Panel will identify the athletes for nomination according to the GA Nomination Policy for the relevant event (these will be separate policies that are not related to this Policy, the Selection Policy Part B or the Selection Appeals Policy) and then submit the nominations to the GA Board for endorsement. The Board endorsed nominations are then submitted to the relevant organisation who are then responsible for selecting the team and managing any non-nomination and/or non-selection appeal process.

5. Team/Squad Composition & Size

- 5.1. The Selection Panel will identify Athletes (for Events & Squads) and Coaches (for Events only) for selection to the Team or Squad.
- 5.2. Neither this Policy, the Selection Policy Part B, nor GA or FIG (for Events) require GA to select the maximum possible number of Athletes to a Team or Squad.
- 5.3. Final Team or Squad selections and composition of the Team or Squad are determined at the absolute discretion of the Selection Panel as set out in this Policy and the relevant Selection Policy Part B. For the avoidance of doubt, nothing in this Policy or the Selection Policy Part B operate so as to require the Selection Panel to select any Athletes or Coaches to the Team or Squad or fill all available positions on the Team or Squad.
